

Whether you buy, sell or operate in several countries, are planning your first steps abroad, or are expanding within the United States, HLB Tautges Redpath is able to guide you through the long list of issues and concerns that impact businesses overseas and state-by-state.

HLB Tautges Redpath services clients which operate locally, nationally and internationally. Our firm is an independent member firm of HLB International, a world-wide organization of professional accounting firms, with independent member firms in more than 100 countries.

Our membership ensures that wherever you choose to do business, internationally or nationally, you receive the same quality service and innovative solutions you receive from us. We are able to give businesses a direct connection with expertise needed to establish new ventures, structure cross-border transactions and maintain tax and trade regulation compliance anywhere in the world.
