Governmental Services

HLB Tautges Redpath has provided services to governmental entities since 1971. Our governmental services staff is primarily devoted to governmental entities, and as a result, we are available and focused throughout the year to assist with client needs.

With our firm's commitment to governmental services, we are appropriately staffed and knowledgeable on a number of service areas important to governmental entities. Some of the services we provide include:

- ◆ Financial Statement Audits
- ◆ Compliance Audits
- ◆ Arbitrage Services
- ◆ Debt Services Studies
- ◆ Utility Rate Studies
- ◆ Tax Increment Consulting
- ◆ Cost Allocation Studies
- ◆ GASB 34 Implementation

Why HLB Tautges Redpath?

Experienced Professionals. HLB Tautges Redpath staff has a long history of providing quality audit and advisory services to local governments. One of our largest service areas is audit and related services provided to local governments. Our specialized staff stays up-to-date on current and proposed governmental accounting and reporting standards and is available throughout the year to respond to technical inquiries.

Industry Involvement. Several staff members participate in GFOA's Certificate Review Program. Certificate reviewers perform four to eight reviews each year. This volunteer experience better enables our staff to provide assistance with accounting and financial reporting issues.

Tax Increment Financing (TIF) Knowledge. Our staff is very knowledgeable on tax increment reporting issues. We have assisted cities in the preparation of TIF reporting forms, responding to Office of State Auditor (OSA) audit findings on TIF issues, and preparation of TIF grant documents.

Diverse Experience. We provide services to a variety of government entities such as:

- ◆ Cities
- ◆ Townships
- ◆ Housing and Redevelopment Authorities
- ◆ Economic Development Authorities
- ◆ Watershed Districts
- ◆ Fire Relief Associations
- ◆ Cable Commissions
- ◆ Liquor Operations
- ◆ Golf Courses
- ◆ Airport Operations
- ◆ Ice Arena Operations
